### BOOK RECOMMENDATIONS

- *A Gospel for All Ages* by David Csinos
- *Along the Way: Conversations About Children and Faith* by Ron Bruner and Dana Kennamer Pemberton
- *Bridging Theory and Practice in Children's Spirituality* by Mimi L. Larson + Robert J. Keeley
- *Children's Ministry in the Way of Jesus* by David M. Csinos and Ivy Beckwith
- *Children's Ministry that Fits* by David Csinos
- *Forming Resilient Children* by Holly Allen
- *Intergenerational Christian Formation*, Holly Allen
- *Joining Children on the Spiritual Journey* by Catherine Stonehouse
  - o Note from Jennifer: This is a little denser of a read because it goes through developmental theories as it explains foundational elements in children's spiritual formation. It is definitely not one I would read first, but it is really valuable information for the minister wanting to dive more deeply into the theoretical elements of spiritual formation.
- *Praying in Color* by Sybil Macbeth
- *Sustainable Children's Ministry* by Mark DeVries and Annette Safstrom
- *Will Our Children Have Faith* by John Westerhoff
